

Luis Revilla

Software developer

<https://luisrevilla.website>

Born: Oct 22nd 1989

Nationality: Venezuelan

New York, NY

(650) 521-2161

luisrevillameza@gmail.com

Main skills:

UI engineering. Javascript. HTML. CSS (grid, flexbox, animations). React.js. Node.js. Webpack. React Native. Git. Linux shell. MongoDB. SQL. C#. Xamarin. Responsive design. Test driven development. State management in web applications. Creative writing in English and Spanish. Exceptional learning and communication skills.

Relevant experience:

Lead software engineer at En Breve News, LLC.

From **Oct 2017** to **Nov 2018**.

Work: Development, design, testing, deployment and maintenance of an audio newsletter app for the most renowned radio personality in Venezuela, Cesar Miguel Rondon. System components: a React Native client (Android & iOS); a Node.js REST API with MongoDB for data persistence; and a React.js web client for the admins to create newsletters. +6000 active installs.

Frontend engineer & Co-founder at CrowdSwap/Swapig (Startup Chile 16).

From **Dic 2015** to **Oct 2017**.

Work: Development, design, testing, maintenance of both web-based and mobile clients. Taught myself the modern web stack to start the company. I was in charge of all corporate communications and wrote the application that got us into the Startup Chile accelerator. Main technologies employed: Xamarin (C#) for mobile clients, and jQuery, Angular 1x and React for the web.

.

Writing/media career:

Freelance writer in Buenos Aires, Argentina

From **May 2014** to **Nov 2015**.

Work: Sportswriting; copy writing and editing for websites and software applications; video scripting and editing; corporate communications, pitch decks.

Advertising copywriter at Saatchi & Saatchi Venezuela

From **Aug 2013** to **Apr 2014**

Work: Copywriting for some of the biggest consumer brands in Venezuela, across all media platforms.

Production Assistant at Union Radio, Venezuela.

From **Jul 2012** to **Aug 2013**

Work: Content production for the (at the time) most prestigious sports radio show in Venezuela, "Los Cronistas". Writing daily scripts, contacting potential interviewees, and even joining the anchors to talk on live radio.

Reporter at Sinuniforme.com, in Venezuela

From **Jul 2011** to **Jul 2012**

Work: Daily reporting on Venezuelan and international sports. On-site coverage of important events and games in professional baseball, soccer and others disciplines.

Education:

Electronic Engineering at Universidad Simón Bolívar (Caracas, Venezuela).

From **Sept 2006** to **Jul 2011** (no degree).
